DIRECTOR'S NOTE

I am so proud and humbled to have worked with these young actors. Thank you for every moment you spent bringing them to rehearsal, working with their materials at home, and volunteering to help bring forth the magic of this show. As a production team we have seen growth in this cast as we have worked together to bring this "tale as old as time" to the stage. Congratulations to these kids - they have done a hard thing. One that they will remember and as their loved ones, you can point to when they are faced with other hard things in their life. We hope that you, too, are transformed by what you see, to dream a little harder, believe a little more and to recognize the beauty that is found within, in yourself and others. That's the true message of this show - some other ones we like are - "if it isn't Baroque- DON'T FIX IT" , if your name is Marie and you have baguettes you had better hurry up and libraries make the BEST GIFTS!

Enjoy the show!

About Beauty and the Beast Jr.

Disney's Beauty and the Beast JR. features some of the most popular songs ever written by Alan Menken and the late Howard Ashman, along with new songs by Mr. Menken and Tim Rice.

The classic story tells of Belle, a young woman in a provincial town, and the Beast, who is really a young prince trapped under the spell of an enchantress. If the Beast can learn to love and be loved, the curse will end and he will be transformed to his former self. But time is running out. If the Beast does not learn his lesson soon, he and his household will be doomed for all eternity.

About Ziegfeld Theater Arts

The Ziegfeld Theater is about art, collaboration and acceptance. Our driving motto is "Professional standard, community spirit," and it drives every aspect of our work. As an emerging performance venue and company, we are finding success catering to a broad audience. We work to enlist A-list local talent and produce professional quality entertainment, always keeping in mind that positive collaboration is essential. Joining these ideals is a guiding principle of improvisation: "Yes...And!" The "Yes" means that we accept theatrical, musical and visual arts that are furthering the community's knowledge and cultural experience. The "And" describes our dedication to enhancing the idea and furthering its impact.
